The Book of Mormon prophet Jacob said, "And after ye have obtained a hope in Christ ye shall obtain riches, if ye seek them..." Do you seek for riches? Or do you think it is wicked, lustful, ungrateful, or prideful to want more wealth in your life? Does God want you to be rich? Do you want to be rich? Have you made up your mind? If Ye Seek Riches expounds on the words of ancient and modern prophets concerning God's will to b you both spiritually and temporarily. You will learn the importance and the process of seeking first the kingdom of God, and then seeking for riches with the intent to do good. God wants you to be rich and righteous, but only if you do too.
