□□□□□ Can You Survive a Creepy Horror Virtual Reality Video Game? Yeah, probably not any better than your ill-prepared character. May as well find out though! □□□□□ Why would your character open an iron gate and enter an abandoned asylum in the dark? Yeah, to scare the living daylight's out of you, that's why, But, that's only the beginning. You'll laugh, you'll cry, you'll want to get far away from the terror. In order to do so though, you'll have to make a series of choices.

It very well could mean you won't make it out alive.

There's only one way to find out! Be warned... There are strong words, and frightening horror themes contained in this book. ► FLASH SALE, GET IT FAST! ◀ ***FREE WITH KINDLE UNLIMITED*** Travis Wells loves a good horror story as well as tales of magic and adventure in far off lands (particularly dragons & time travel).
