A supernatural revolution is taking place in our day. An unprecedented move of the Spirit of God is going to cover the earth and we are being invited into the very heart of this movement. It is a time of glory, of destiny, and of a great awakening of the people of God to take their place in history as the most awesome company the world has ever seen. Within the heart of every believer is the longing for something greater than we have already known. The Father is calling us up into that higher way, giving us a vision for what His Spirit has purposed to do in this generation and of those to come.
