Bayou Teche, 1851 No one in Lily LeGrand's Cajun community is willing to help search for Paul Courville, missing in the bayou along with his mean-spirited older brothers, William and Mark. Why should they? Paul's wealthy plantation-owner father has made no secret of his disdain for Cajuns like Lily's family. But Paul has always been kind to Lily, defending her against his brothers' merci taunts and humiliating pranks -- and Lily refuses to turn her back on him when his life is in danger. On her own in the maze of the snake- and alligator-infested bayou, Lily knows she has more to fear than her father's wrath. Her treacherous journey will test both her knowledge of the swamp and her courage. Can she find Paul in time?
