Sorry, no life ons in this book. It's all silliness and giggles about silly friends and their silly ways in this children's picture book.

340 words written in rhyming verse in 26 pages for children ages 3-5.

There's also a BONUS peek of pages after The Silly Story (of the silly town) to introduce you to: Waneta Walrus (and her blue tu-tu), which actually does have great life ons in that story, although Waneta Walrus is best suited for children ages 4-8.
