The long awaited sequel to 2011s 'The Enforcer' is here! Bryce Kreed was able to thwart the plans of the Blood Coven and save the life of his love, Enya Blake with the aid of his brother Reece, and Enya's loyal bodyguard, Skull. One defeat isn't is going to stop the power-mad Liege, the ruler of the Blood Coven. One defeat will not satisfy the bloodlust of the werewolf Juri Deruy either. Now Bryce Kreed will have to step up his destructive game if he wants Enya or anyone else he loves to survive. Facing challenges that he has never been strong enough to face before, Bryce will have to become the man he was always meant to be, or be swallowed by the darkness that he's run from for centuries. This is the second novel in the world of The Dark Land; a massive world where the monsters of our youth thrive and live among us.
