Something horrible is happening in the small town of Cypress Pass. The dead are walking. Caught in the middle of the undead uprising is Sheriff John Boudreaux; a retired Army Ranger, who still struggles daily with the emotional and physical pain of his time in the Iraq war.

Now he finds himself fighting an enemy that cannot be stopped. An enemy that shows no fear and wants nothing more than to eat his flesh. He is tasked with a mission that will define his life. He must save his friends and fight off the living dead that are overrunning his town. But how do you kill what is already dead?
