Marisa Clair wants to get her artist dreams back on track after a life detour. That means no partying, no shopping...and definitely no men to distract her. Should be easy, but there's something about her hot and exceedingly uptight boss and she can't seem to stop herself from ruffling Mr. Tall, Dark and Irritating. Financial consultant Luke McNamara lives his life strictly by schedule – his OCD simply won't allow him to do anything else. And the very last thing he needs is a sassy blonde putting lipstick on his collar and messing with his routine. She annoys the hell out of him so why can't he stop thinking about the color of her panties...and how free he feels when he's with her? Marisa and Luke's plans to steer clear of one another are shot to hell after a hot office encounter. Now the two of them will have to learn to get along as they face a much more permanent reminder of their lack of self-control – a pregnancy.
