Struggling actress Abigail Lindgren feels it's her duty to notify her roommate's family of Sunny's murder.

Problem is, a tangled web including lies, a reclusive grandfather and an inheritance makes things more than complicated. Impersonating Sunny in the mountains of California—just for a while—is part of the plan. Getting tangled up with sexy rancher Sage Rivera is not. Sage stands to lose it all. He doesn't need an attachment to Sunny or her well-kept secrets.

He can't shake the feeling she's hiding something big. But she needs a protector, a friend, a lover to give her the passion she's been missing...and he decides he's the only man for the job.
