Piper Daniels has had about enough. She's just plain tired, of her small town life, her job at a greasy diner, and most of all, her boyfriend. It wasn't long ago that her best friend Amanda headed west in search of love.

Maybe the time has come for Piper to join her. Maybe love is waiting for Piper out in Los Angeles, too. All she knows for sure is, there's only one way to find out. This novel is part of Kenneth Rosenberg's "Bachelor Series" about a group of young professionals living in the same Hollywood apartment building. The books in this series can be read in any order and include: "The Extra: A Bachelor Series Prequel" "Bachelor Number Five" - The Bachelor Series, Volume I.

"Bachelor Number Nine" - The Bachelor Series, Volume II. "The Art of Love" - The Bachelor Series, Volume III.
