In these stories, you will meet an artist whose nightmare painting comes to grotesque life ... a hideous, semi-human creature known as the Cat Man ...

a sexual predator who encounters a shocking surprise ... three immortal creatures locked in a bizarre ménage à trois ...and the trusting graduate of an unspeakable academy. You will encounter a TV producer with a startling secret to his success, as well as a young poet whose childhood dreams have opened a gateway into a malevolent realm of horrors. In these stories, you will learn the mystic ways of unearthly beings, and discover the many reasons why MAGIC CANNOT DIE.
