April 4th 2018 by Hellenic Council YSEE of America

“The Hellenic Religion is unique, indigenous, immortal, timeless and perfect. It is the only religion that has remained the same, and it is the only religion that has never been replaced by a different one. It is the only religion that has never been replaced by a different one. It is the only religion that has never been replaced by a different one.”

**Hellenic Ethnic Religion:**  
Theology and Practice

[Hellenic Ethnic Religion: Theology and Practice.pdf](#)

[Hellenic Ethnic Religion: Theology and Practice.epub](#)

A brief but comprehensive work on the belief system and the practices of modern day practitioners of the Hellenic Ethnic Religion. Basic concepts about the Gods and the world are explained in simple terms. The actual rituals are translated from the Greek language for the use of the English speaking practitioner.
