The Fun with Phonics series offers the best and most fun way for children to learn the basics of reading, writing and spelling. This fantastic pack has everything you need to engage your child with phonics and to teach them the basics of reading, writing and spelling. The pack contains a 32-page full colour book that will introduce your child to the most common sounds that form a foundation to literacy, together with a fun full-colour wall frieze to put on their bedroom wall. This exciting pack also contains a 45-minute DVD featuring the popular 'Fun with Phonics' programmes as seen on Cbeebies. Through a mixture of lively, colourful and entertaining sequences, this unique DVD will support your child's learning by bringing phonics vibrantly to life whilst clearly demonstrating how to voice, read and write the new sounds they are being introduced to. In Fun with Phonics: Letters and Sounds, your child will be taken through all 44 of the most basic phonics sounds that they will have to learn at school and are encouraged to blend and segment sounds toward reading and spelling complete, though simple, words. Suitable for children aged 3-5 years.
