Five teens backpack through Europe to fulfill the mysterious dying wish of their friend. Jesse lives with his history professor dad in a house covered with postcards of images of the Madonna from all over the world. They're gotten used to this life: two mother dudes living among thousands of Madonnas.

But Jesse has a heart condition that will ultimately cut his life tragically short. Before he dies, he arranges a mysterious trip to Europe for his three cousins, his best friend, and his girlfriend to take after he passes away. It's a trip that will forever change the lives of these young teens and one that will help them come to terms with Jesse's death.
