An exploding Mardi Gras float has got to be the strangest murder weapon scrappy sleuth Carmela Bertrand has ever encountered in this latest Scrapbooking Mystery from the New York Times bestselling author.

It's Mardi Gras in New Orleans and scrapbook shop owner Carmela Bertrand is excited to be attending the Pluvius Parade along with her best friend Ava. Carmela's ex-husband Shamus rides by the duo on his float at the head of the parade, when suddenly the revelry turns to disaster. Shamus' float crashes and explodes, and although Shamus escapes unharmed, a member of his krewe is killed. Carmela and Ava plunge into an investigation of the krewe-member's death, but as they dig deeper it starts to look like an accident and more like a murder....and Shamus seems like a victim, and more like a suspect.
