All God's Children is written for the main purpose of teaching our children of the love of God. Herbie the main character is seven years old and carries his pocket bible everywhere he goes. Herbie loves to share his love of God with others. One day with his pocket bible in hand he heads out to the neighborhood park. On that day Herbie meets new friends of different ethnic back grounds. The story unfolds as Herbie begins to share his faith with his new found friends. As seen through the eyes of Herbie, he teaches his new found friends that in Christ, we are all God's Children. Herbie is a good example of how God's love conquers all. I believe the story of these Children will delight, teach and entertain our children of today.
