College-girl Audrey is blackmailed by her ex-crush, Dutch, into spending time with him—and kissing him. Audrey wouldn't mind so much ... if her heart wasn't so friggin' thrilled about the idea. But it's going to explode just from Dutch's lingering stare, so how can Audrey possibly take a kiss? She can't. One kiss and she knows she won't be able to resist Dutch ... again. She'll be right back in Crush-City. The place she wanted to leave behind forever, because Dutch shattered her heart. She's learned her on, the church boy she's always loved is a heartbreaker. Note to self: Stay away from Church Boy ... and his amazing kiss. Only now she can't--because she's BLACKMAILED by the church boy.
