This spine-chilling horror story charts the macabre path of a strung-out team of paranormal investigators as they get closer to the truth surrounding deadly rage-filled attacks in the unassuming small town of Montague, PEI. On the way, dangerous roadblocks quickly emerge as lead protagonist Kathleen Freeborne discovers their inner demons are preventing them from discovering the truth behind the sudden and violent outbursts. Her boyfriend Mark Riley has suddenly become distant and cold, withdrawing into an alcoholic abyss. Her best friend Angela Dodson is also keeping disturbing secrets from the team and withdraws from her intimate relationship with boyfriend Jacob McCreery. Meanwhile, Detective Blaine Redmond, close to discovering the scary truth behind the rage slowly enveloping unsuspecting islanders, abruptly disappears.

It's up to the paranormal investigators to find the detective and locate the source of the evil threatening to destroy the small town. But will their inner demons prove too debilitating? A riveting and shocking ride that will take you to the edge of a frightening precipice!!
