Sometimes in life you have to walk away . . . Leaving Jamie Cole was the hardest thing Ellie Pearce ever had to do.

Somehow, she moved on. She made a new life in a new city with a new man.

So when a family tragedy calls Ellie back home, she believes all her old feelings for Jamie - the hunger, the heat, the heartbreak - are safely behind her.

But the second she lays eyes on him, the intensity of their connection is as strong as ever.

Sometimes you stay and fight . . . Jamie knows pain. He's felt it fighting in the streets, and he felt it fighting to survive in prison. Yet nothing he's experienced has been as painful as the day Ellie left - until the moment she came back. This time Jamie is determined to hold on to Ellie forever. But as much as she still loves him, she can't ignore the dark world he's now a part of. Jamie has enemies. Dangerous ones. And after seeing Jamie with Ellie, they know exactly how to take him out . . .
