THE BOY NEXT DOOR IS BACK...AND AFTER HER HEART! He's a "gift"--a referral from the Matchmaking Mamas--sent by Tiffany Lee's mother to do her bathroom remodel. But the real surprise is that Tiffany already knows Eddie Montoya. When they were little, he was her playground protector. When they were in college, Eddie was her campus competition. And now she's a teacher and he's her handyman? Well, just on weekends. On Monday morning, Eddie shows up at Tiffany's school--as the new third-grade teacher. When a fund-raising contest between classes is announced, the old rivalry heats up.

And it's game on! Except as the playful competition intensifies, so do their feelings for each other. And Eddie begins to wonder if they might work better...as a team.
