In this book, author David Isaacs, an educationalist and parent, offers ideas and suggestions on how parents and teachers can help children's all-round development. The emphasis is on character building, approached from the viewpoint of moral habits. Professor Isaacs takes twenty-four virtues and discusses how the child at different ages can be encouraged to be obedient, industrious, sincere, prudent, generous, optimistic, sociable, and so on. There is no book on child development quite like this.
