What animal with a 'killer smile' has been around for 220 million years and has a bite six times more powerful than that of a shark? The crocodile! Uncover the secrets of the 'lizard king' layer by layer in this unique book from the Uncover It series. Kids who are crazy for crocs can explore the inner workings of these remarkable reptiles with an awesome 3-D layered model of a crocodile. Each spread is full of awesome factoids, croc trivia, cool illustrations, and diagrams that will delight curious kids. It's the safest way to get up close and personal with a crocodile!
