When the Staff of the Dead, holding the power to command a zombie army and the source of Hades' magick, goes missing from the Underworld, Hades enlists the help of Odin to retrieve it. With cameos from Zeus, Lucifer, and the Grim Reaper, will they ever recover the Death Stick? Featuring characters from Misguided Virtues (Apocalyptic Tendencies Book 1). This is a short story under 20K words and yes, the misspellings are intentional. :D
