A rising threat of a mysterious attacker has everyone in Julie Aim's life in mortal danger. No one is safe from that person's meticulous wrath, least of all Julie. She rushes to unravel the mystery, save her friends, and figure out the threat slowly circling Sweetbriar and Grey Haven, but is it already too late? Will Julie choose to leave the school and town to save the people she loves most? Can anyone survive what is coming for them? Nightingale is the fourth book in the Dreamer Chronicles.
