This book introduces ten tools to revolutionize how we work together - in teams, organizations, companies, and communities. If groups are how you get (or don't get) things done, you will find an abundance of insight, inspiration and practical suggestions here. The tools in this book will help you increase trust, unleash collective wisdom, and nurture the joyous ease of "many hands making light work." Each of the ten tools brings a unique perspective. Together they are a comprehensive kit, allowing you to create better outcomes in all types of group situations. "Make Light Work in Groups "is a handy pocket guide for leaders, managers, entrepreneurs, activists, consultants, parents - and anyone else who wants the sum that is greater than the parts.
