With his house in Cincinnati in ruins, Seamus McCree retreats to the family cabin for some well-earned rest and relaxation. But his plans for a quiet, contemplative winter in the wilds of Michigan's Upper Peninsula are thrown out the window when he discovers a naked woman on his porch during a blizzard. The mystery woman is suffering from hypothermia, frostbite, high fevers, amnesia—and rope burns on her wrists and ankles. Snowbound at the cabin, without transportation or phone coverage, Seamus struggles to keep the woman alive and find a way to get an SOS message out. What he doesn't know is that a domestic paramilitary organization is hunting for an escaped female prisoner—and closing in on his isolated refuge.
