Wheezie is looking for love and the perfect first kiss-- but she's on a deadline. She's determined to get that kiss before her 16th birthday, only four days away. Quinn McMurphy wasn't what she had in mind when she set out to land that perfect first kiss, but she's determined to knock him off his size-fifteen feet. The first installment of Wheezie's dating misadventures, The Catch & Release Chronicles.
