Full of heart-warming moments and animal antics, this 10-book collection is bursting with charming stories about all kinds of cute critters. Full of jaw-dropping facts, children will get to find out about how some sharks are no bigger than a chocolate bar; what an Emperor penguin gets up to during a bitterly inhospitable winter; and how a tiny sea turtle grows and grows before heading back home to become a mother. Covering the life cycles of various animals in a narrative style, these are fun and fascinating books for little nature lovers. The books come in a beautiful slipcase and are perfect for any young animal lovers.
