Love Unbroken is the true story of Pamela, who spends ten years in hell struggling with drug addiction. As told by Pam and her mother Susan, the story reveals heroin addicts barely surviving in the slums of Washington D.C. and meth addicts roaming wild in the city parks of San Diego. Pam attends five treatment centers and suffers numerous relapses while her parents consult count experts who disagree with each other. In Brazil they receive shamanic exorcisms and experience ayahuasca, a psychoactive rainforest tea considered sacred by indigenous Amazonians. Both Pam and her mother emerge profoundly changed from these encounters. Their shared path to recovery is highly unusual, going far beyond conventional addiction treatment. This is a book of hard-won inspiration and wisdom that reveals a truth deeper than all the traumas of the human heart - love unbroken.
