The moment Luke Hawthorn slid open the window to his bedroom and dropped into the alley behind his uncle's building in Manhattan, the course of his life changed forever. He just didn't know it yet. Six months earlier and 5,500 kilometers away, a new drug called Rave-N stole the life of a friend. Days later, his London home was consumed by a fire that also claimed his mother's life. Then an uncle who he'd never known appeared at his mother's funeral and offered Luke a home in New York City-in Hell's Kitchen. But things are not what they seem in Hell's Kitchen. As Luke's friends start to disappear in London, he begins overhearing bits of strange conversation from his uncle-conversations that spur Luke into an action that spirals his world into an ever-widening hell that will consume friends and enemies alike .
