Will protecting children throughout the world cost Natasha her own family? Devastated by the loss of her brother, Natasha Senecot works to expose the dangers of Matthew Chrysler's violent video games, succeeding in bankrupting and humiliating him. Chrysler retaliates and sends a hit man after her. Natasha is forced to fake her own death to protect her children, but after witnessing another tragedy, Natasha won't hide any longer. In a race against time, can Natasha expose Matthew Chrysler before his assassin murders her family and shatters her world?
