Labeled by Humanity, Loved by God is an inspiring story of how one, small determined girl depends upon God to transform her life. Doctors predicted she would never walk advising her parents to put her away in a home when she was born with a severe deformity of her lower legs and feet. Labeled lame at birth, with twisted stumps for feet, only two toes per foot, no ankles, and calves the size and shape of a tiny ball bat, God has proven he is able! The book is splashed with vivid photos that will amaze you, along with personal accounts of how God has rescued, forgiven, delivered and continues to mold her life.

If humanity labels you as different or perhaps a misfit, God loves you, as his child.
