One of the greatest psychological thinkers of modern times, Jung's ideas about inner growth, wholeness, aging, spirituality, parenting, and mystical experience have revolutionized the way we think. The Wisdom of Carl Jung celebrates his visionary pursuits in mythology, alchemy, comparative religion, and the exploration of ancient systems of knowledge such as Taoism, the I Ching, Yoga, Hindu meditation, and Kabbalah. In this seminal addition to the Wisdom series, Jung allows readers to contemplate his fascinating ideas for themselves.
