Adolescence is difficult enough, especially when your family members are vampires and werewolves. But somehow Amy Jennings survived it. Now a young woman, Amy has come back to Collinsport determined to forget the horrors of childhood and start anew. But growing up means confronting the truth about the world around you and Amy's rite of passage has just begun. Drawn into a world of obscene wealth, blind seduction and cold blooded murder by the irresistible Dominic Randall, Amy is about to learn that passion burns. But so does a woman's scorn.... because falling in love can be incendiary. Read by: Stephanie Ellyne, Simion Lee Phillips, and Shelia Steafel, Nancy Barrett, Johnathon Marx, Barra Collins, Lisa Richards, Christopher Regland, Antonio Rastelli, and Jacob Sowersby
