1928.

Rohmer (Arthur Henry Sarsfield Ward) was a prolific English mystery writer, best known for the master criminal Dr. Fu Manchu and his opponents Denis Nayland Smith, Dr. Petrie, named after the Egyptologist Flinders Petrie, and the beautiful Karamaneh, the source of Petrie's daydreams. He also wrote under the name Michael Furey. *She Who Sleeps* begins: Barry Cumberland pushed on through a growing darkness. There seemed to be an unfamiliar quality in this darkness which he first noticed when, quite mechanically, he stooped to switch on his headlights, and in doing so saw the time by the clock in the car. He slowed down for a moment, on a crossways, and stared into the west. See other titles by this author available from Kessinger Publishing.
