[\*\*Town of Dudley Sixth \(Sambol Series Book 1\).pdf\*\*](#)

[\*\*Town of Dudley Sixth \(Sambol Series Book 1\).epub\*\*](#)

This is a story that has not been to any editors, hence it is in its raw form. It is based on an alien called Sambol who is living in a apocalyptic era, in which a mysterious spaceship has collided with his planet and only one city has survived. Also there are a few references to mechanical watch specs, mainly to emphasize that the aliens use a mechanical form of technology/non electric. I hope you enjoy the story. Book 1 in a series.
