After living for more than two decades in the Middle East, pastor, author and college Arabic instructor Mike Kuhn wonders if there can be a fresh vision for the Muslim world—one not rooted in media lies or personal fears but in the values of Christ's kingdom. Is the only option to fight, to eradicate, to judge? Or can the mindset of confrontation give way to one of incarnation? In *Fresh Vision for the Muslim World*, Kuhn challenges readers to love the Muslims down the street and across the world with the love of Christ. Kuhn's vast experience and research show readers that Muslims today have the same hopes and spiritual needs as any of us. With practical suggestions, Kuhn helps readers leave the path of isolation, fear and self-preservation and choose a -traveled road: a path of self-awareness, empathy, and deep listening. Choosing the latter path is radical.

It is difficult. And it is a step toward seeing Jesus Christ receive his rightful place of honor among a people longing to know him.
