Part Six of the Completed Smokejumper Werebear Series. This bear shifter romance has a cliffhanger with a HFN. Best to start at the beginning of the series (or book 5) to get the most out of this one. Part Seven will be the final installment. Shifter Enforcement Agency agent and sexy dragon shifter, Lystra Evans, is in over her head. The corrupt agency that she is forced to work for has her son and now her new mate, a mysterious bear shifter that she has yet to meet, in prison. She knows that she is working for the wrong side but she is trapped and power. Imprisoned, bear shifter, Quint Fellows, has thrown his life away for a woman. He has made some stupid mistakes in his life but surrendering to the scariest agency on the planet, the one that has a death sentence on his head, has to be at the top of his list. So what if his new mate is also his prison guard? Not every relationship is perfect... But as things go from bad to worse for these two shifters, Lystra's new mate Quint may show her that she is not as power as she thinks. Contains explicit love scenes and lots of dirty talk. Adult only BBW bear shifter romance.
