Frat boy Nick wakes up after a hard night of drinking and discovers that he's somehow stuck inside the body of a sultry blonde aerobics instructor. Even worse, once his friends arrive, he finds himself increasingly aroused by them, and is unsure how long he can hold out before he does something he might regret. This story is roughly 6000 words long, and involves an mmf with an exceptionally slutty girl (who went to bed a boy), and oral and vaginal creampie. [mmf, creampie, transformation, slut]
