Hidden away for 18 years and trained to kill. She's never been touched... until now. From New York Times bestselling author Cassia Leo comes a deliciously dark and mind-bending erotic thriller series. I was born into this world unwanted. I spent the first hours of my life unloved. I spent the first eighteen years of my life with the parents who tried to shelter me from the harsh reality of my existence.

But you can't un-write a sad story if the ending is literally written all over your face. So I moved out and now I hide.

I have a night job that pays the bills. Every night, I put on my mask and walk to work. Then one night, I hear and see something that will change my purpose in life... forever: a murder that will bring him to me. He says he wants to protect me. And, through a series of events I can't fully make sense of, I find myself believing him. But our nightly visits are always cloaked in darkness. I don't know his face and he will never know mine. I was born into this world unwanted. I will leave this world unmasked. **\*\*WARNING: This series is not intended for readers under the age of eighteen due to dark and erotic content.\*\***
