Years ago, Bo Sanchez met really wealthy people. Not just rich in money but rich in love.

They were phenomenal human beings. He asked, "Why are these wealthy people wealthy?" He wanted to know their secrets. So he watched them. He listened to them. He talked to them.

He found out that they had a different set of habits.

And for the past 12 years, he's incorporated these powerful habits in his life. The results have been incredible. From a poor missionary, he is now a millionaire missionary running 12 small businesses, but using only 10 percent of his time. Because all of them run on autopilot, he still devotes 90 percent of his time to his ministry.

In this book, you'll learn the 8 Habits of the Happy Millionaire, which include... * Finding Your Emotional Hunger * Being Consistently Aggressive * Creating Money Machines * Sticking to Your Game When you acquire these same habits, you'll find that wealth creation becomes automatic. Spontaneous. Systematic. Effort. Fun! Read this book and change your financial life forever.
