Chan Kim is the story of a young Cambodian woman with rare psychic abilities who survives the 1974 Killing Fields, and who is recruited by The Pillars, a small group of gifted souls dedicated to saving humanity. The tale spans a decade and three continents as Chan Kim faces triumph and calamity, love and betrayal, while she tries to balance her mortal needs and unique powers. Mainstream fiction, romance, historical fiction, and magical realism combine to satisfy readers from all walks of life.
