(Conflicted Love is book #2 in the Needle's Kiss series and should be read AFTER Tattered Love to fully grasp the story.) Trip's life motto is simple: get in, get off, get out. His lifestyle works for him, that is until he finds himself in an unexpected situation with the one girl he can't seem to get out of his mind. Teeny has been strong for too long. One amazing crazy night, with her best friend's cocky colleague, leaves her with more than just unwanted feelings and cravings she just can't seem to quench. She's knocked up. He's freaked out. Life is about to get crazy for two people who can't stand to be close, yet can't seem to pull apart. Tension and confusion turn into mood swings and midnight snacks. How can things ever go back to simple times when every direction leads to chaos?
