This one-of-a-kind, collectible mini-book was written by Buttercup, herself: Here's the story of how I saved the day all by myself -- without any help from my wussy sisters. Of course bossy Blossom thinks she used her brains to outwit Mojo, and silly Bubbles thinks she did by just being sweet and nice and cuddly. But I'm here to tell you there's only one way to get rid of the bad guys -- with a Powerpuff P-O-W! And that's how I defeated Mojo all on my own. Yeah!
