USA TODAY BESTSELLING Author, Lexy Timms, delivers a fast paced, heated romance unlike any you have read before! This federal agent has always been UNLUCKY IN LOVE. LUKE McCONNELL is neck-deep in conspiracy. With a job to do, the last thing he needs is to get mixed up with the boss' daughter—especially when that boss appears to be a front for the Bianchi crime family. DANIELLE LEONID has no idea what her family is up to—at least it seems that way at first glance.

But the beautiful blonde has a blind spot a mile wide where her brother's concerned, and will do anything to protect him. Her father, on the other hand, she hates with a passion. A rich little spoiled brat has no business getting in the way of his investigation. But when sparks fly between the two, Luke sees an opportunity to get close to the family—and to find the proof he needs to shut down their whole operation. The problem is there's no contingency in place for losing his heart. The beautiful blonde turns out to be everything he's dreamed of. But she's got secrets of her own. Suddenly he's caught in a conflict—do the job and destroy everything Danielle believes in...or walk away and let the criminals run free.

Fans of Mr.

and Mrs. Smith will love this series! Note: Lexy Timms would like you to know that this story will end on a mild cliff hanger.
