LIMITED TIME DEAL - GET IT TODAY FOR ONLY 99c (normally \$3.99) “Just when I thought it could not get any better...IT DID!” - Diane “The characters were well developed and likeable. Definitely a great read!!!” - Taunikka “Loved this book.....” - Patrica L Jensen When Daphne was chosen to accompany WereBear soldiers Tristan and Callum on a dangerous long term mission on the other side of the country she had no idea why. She was not trained to fight. Nor was she was trained in medicine. So what could her purpose be? The truth was that on such a long mission it was expected that the bears would suffer from sexual frustration and so they would need a woman to relieve that. And soon Daphne will discover that that woman is going to be her.... This is a paranormal menage romance including action and adventure. Grab this deal before it vanishes forever.
