Cassie's dream job at the law firm is in jeopardy when she's assigned to Justin Deveroux, the new partner—a man so difficult to please that he's expected to fire his entire team.

Cassie's already made a bad first impression with him, and with her yearly performance review looming, things aren't looking hopeful. But she's certainly not going to let her dream job slip away without a fight. Soon Cassie's putting in the extra hours to ensure she satisfies her boss's every demand... which grow more and more exhausting. As Deveroux increases her workload, Cassie hopes she can find a way to get the job done—and walk away from her performance review with her position still secure.
