PRESENTING "FEMININE" - THE HOT NEW TRANSGENDER EROTIC NOVEL BY ELIZABETH HUGHES Clark Stephenson is a regular guy with a regular fetish - he likes big breasts. There's nothing wrong with that but when he starts stalking Candace Crush, a well-endowed erotic dancer, things start to go haywire. Candace takes steps to protect herself but when Clark refuses to change his ways, Candace decides to teach him a on. Hormones, hypnosis and surgery change Clark into Honey - Candace's sister. As Honey begins to learn what it is like to be a woman, she must also deal with Clark's hyper-sexuality that makes him go from girl-next-door to a big-busted cock-sucking bimbo. Will Honey survive?
