For childminder Bobbi, it's all about keeping your babies safe. When professional couple Nikki and Rob uncover their childminder Bobbi's secret everything changes. Bobbi has a child-shaped hole in her life that her 'silver fox' lover can't fill. Now she is seeking out children once more. Troubled young couple, Kim and Connor are battling with social services to keep their baby, Jade - but they needn't worry, Bobbi soon arrives to help solve all their problems.
