Read the Book by Latvia's Top Selling Romance Author Diana Daudisha Her Book is now available in English! Free With Kindle Unlimited! Don't miss it! Book might be short, but it's VERY EROTIC! Everything in life happens for a reason. Or so they say. I disagree. I believe our road to success is paved with hard work and even harder choices and whenever we stray off the beaten path it is usually our own fault. This I have learned from experience because, well because I have strayed. Oh boy, have I strayed! When I moved out of my parent's house I thought life would be a bundle of fun. I know, naive, right? Sure I expected challenges, that's just how life is, but I was the eternal optimist; give me lemons and I'll make you a nice cool glass of refreshing lemonade. It didn't take me long to find out that sometimes life doesn't just throw fruit--sometimes it throws rocks. Thank you!
